Hi 👋 I'm Allie. And I love playing pickleball.

When I moved to Denver last year, one of the first things I looked into was if there was an existing pickleball league I could join. This time last year, there was not. I decided to start one.

While there are now other more official leagues you can join with a team to compete regularly, this isn't that.

The Denver Pickleball Club is for complete beginners, pickleball pros, and everyone in between. For those that want to compete and those who just want to play a game or two, grab a drink and makes some friends. It's as much a social club as it is a pickleball club.
